A Y2 boy

H Y2 girl

R Y2 boy

B Y2 boy

N Y2 girl?

PA So I like LEGO because you can make anything and it's fun. And the best thing about it is you can stick things together. So that's the cool thing about it.

Q So you can make it bigger or smaller, whatever size you want.

PA You can take bits off and you can add bits on.

Q Interesting. And [Y2 girl H], LEGO. Tell me about LEGO. Do you like LEGO? Anything you think of. LEGOLAND, LEGO movies. Anything to do with LEGO. LEGO bags. Do you play with LEGO much? I've seen a lot of people playing with LEGO yesterday morning in the classroom.

PA I do have.

PA I love LEGO.

Q And what do you do with it? Do you ever play with the LEGO?

PA I do.

Q How often do you play with it?

PA Not that often.

PA You can make anything you want and one day I made a monkey.

Q You made a monkey out of LEGO?

PA Yes.

Q Fantastic. How big was your monkey?

PA Medium-size.

Q Can you show me how big here, like...? That sounds... So like a small box like a box size. About the size of a head, isn't it? A human head. And what did you do with the monkey when you made it?

PA I put something that you can stick it on the wall.

Q Wow, so you could put it on the wall?

PA Yes.

Q And what does it do on the wall? Does it climb or can it...?

PA And then you can pull it and put it somewhere else.

- Q Sounds fantastic. Was it part of a LEGO box that you built or did you make it out of your head? Did it come from your imagination or did you use a booklet?
- PA There's a book. A book came with it.
- Q And did you enjoy doing that?
- PA Yes.
- Q [Y2 boy I], tell me about LEGO. What do you like about LEGO?
- PA I like LEGO because you can make planes from Marvel like Captain Marvel.
- Q So you like making planes and then bringing your Marvel characters into the sets. Have you got Marvel characters at home?
- PA No, it comes with the box.
- Q It came with the box. A Marvel LEGO set.
- PA I got three LEGO planes. One is from Endgame. The Ultimate Quinjet. And one is from Captain Marvel.
- Q And do you like those a lot? Anything else about LEGO that you like?
- Any other things that you like? Do you like the LEGO movies?
- PA Say yes.
- Q Do you like the LEGO movies?
- PA I've got the LEGO movie video game.
- Q What do you all think... Oh, the LEGO movie video game? What do you do with that?
- PA It's like the LEGO movie. Instead of watching, you play it.
- Q And what do you have to do? Do you have to build or what do you have to do? What's the aim of the game?
- PA You have to build fighter robots. I've got a LEGO game collection.
- Q Have you?
- PA Yes.
- Q What's that?
- PA I've got LEGO Avengers and LEGO Superheroes 2, LEGO City Undercover.
- Q And these are all games that you play on your iPad or on your...?
- PA PlayStation. I've got one more to go.
- Q Yes, go on then.
- PA It's like a Star Wars the Force Awakens.
- PA I've got...

- Q And how often do you play with these games on your PlayStation? Do you play with them a lot or...?
- PA When I got it.
- Q When you get them?
- PA When I got it, I just played it a lot.
- Q That's good. [Y2 boy B], what do you think of LEGO?
- PA I think you can't really make anything. You can't always make everything because if you wanted to make a bag, that would be really hard because you would have to make...
- PA A lot of LEGO.
- PA I know how to make... It would be hard for you to make this bit of the bag. Not the handles. This bit. The handles are quite easy for me because you just make a gap in the LEGO. But the bottom would be hard to join everything together.
- Q What do you like about LEGO? What do you think about LEGO?
- PA I think it's good because you can mostly come up with lots of ideas like making an X-wing or making a door or making a house.
- Q And what else do you...?
- PA I think...
- Q Do you make anything at home with LEGO?
- PA Yes. I've got quite a lot but I want to do one more of my sets because Mummy, I've got a new... Do you know the Millennium Falcon from Star Wars? I've got a LEGO set of that but as big as this. It's not that big.
- Q Is it good to play with?
- PA I've not done it yet. I've not made it yet. I need to make it.
- Q And what other things have you made out of LEGO? Anything else?
- PA A tank that goes on the water and I have made a fire engine. I have made a bad guy's car. I have made a helicopter and I have made Marvel characters and three shooting ships.
- Q We're going to stop there.
