

Data Visualisation In:

Artificial Intelligence and Machine Learning

Data Visualisation Community Group

Community groups:

- Friendly space!
- Learn new techniques and technologies
- Share interesting tidbits
- Meet new people doing interesting things

Other useful resources:

- <https://dataviz.shef.ac.uk/>
- We're on [Slack](#)! Come and chat to us, ask your questions

Today's session

Jacob Macdonald - Urban Studies and Planning:

Jacob will be talking about techniques for translating complex research into effective visuals.

Chris Wild - Research IT, IT Services:

Chris will be talking about how we can understand generalisation through visualisation.

Rosie Higman - Library:

What would you like to see at the community group?

Questions

Questions after each speaker - Plenty of time.

Slido code for those who don't fancy speaking in front of everyone!

#3486922

What would you like to see at the community group?

1. What topics would you like to discuss at future meetings?
2. How would you like to discuss data viz - Slack, Google Group, just at events?
3. Do you have some data viz knowledge/examples/problems you could share at a future meeting?
